BANGALORE CITY MUNICIPALITY.

Notice dated 3rd January 1924.

1. Notice is hereby given that sealed tenders for laying the sub main and street sewers in the Visvesvarapuram Extension, Bangalore City, will be received by the Municipal Commissioner, Bangalore City, or by the Officer deputed by him at his office up to 4 P. M. on Thursday, the 24th January 1924. The pipes, bends, joints, manhole covers, cement, etc., will be supplied by the department, at their stores in the Visvesvarapuram Extension and the contractor has to cart them to the site. An approximate schedule of quantities is given below and it is subject to alteration. The work should be completed within six months from the date of order showing proportionate progress monthly.

2. The plans, detailed estimates, specifications, and conditions may be seen at the Special Engineer's Office, City Improvement Works, Visvesvarapuram Extension, between 12 noon and 5 P.M. on office days.

3. Tenders should be submitted in printed forms, which may be obtained at the office of the Special Engineer. Rates should be quoted only for the units shown in the schedule, both in figures and in words. Tenders quoting for units other than those in the subjoined schedule will be rejected.

4. Each tender should be accompanied by a deposit of Rs. 1,000 in cash or in currency notes, as earnest money, and be superscribed "Tender for laying the sub main and street sewers in the Visvesvarapuram Extension" in default of which it will be rejected.

5. The final acceptance of any tender will rest with the Municipal Council, which does not bind itself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. The name of the successful competitor will be posted on the notice board of the Special Engineer's Office in due course. No enquiries regarding the acceptance or rejection of any tender will receive any reply.

7. Within eight days of the order of acceptance of the tender, the approved tenderer will be required to execute the usual contract bond, depositing the earnest money as security in default of which his tender will be considered cancelled and his earnest money forfeited without further reference to him.

8. On the final disposal of tenders, the earnest money on registered tenders will be returned to such tenderers on their applying to the Special Engineer in person or through their accredited agents.
